### Oyu Tolgoi begins concentrate shipments

---

VANCOUVER, CANADA – Turquoise Hill Resources today announced that the Oyu Tolgoi mine has commenced shipping copper concentrate. The initial sale of approximately 5,800 tonnes of concentrate is being sent to customers in China. A convoy carrying approximately 600 tonnes of concentrate departed from the mine on Tuesday, July 9, 2013 with the remainder of the shipment taking place over the next two weeks.

Kay Priestly, Turquoise Hill Chief Executive Officer, said, “The shipping of concentrate is a significant milestone in Oyu Tolgoi’s development. It is gratifying to see the world-class mine continuing its ramp up and generating benefits for stakeholders and Mongolia. The entire staff at Oyu Tolgoi is to be commended for their hard work and dedication in making this major event possible.”

All permits and authorities required for on-going concentrate shipments are in place, including approvals by the Oyu Tolgoi LLC board. Oyu Tolgoi remains committed to maintaining transparency in its operations and managing export revenues consistent with the Investment Agreement.

### Forward-looking statements

Certain statements made herein, including statements relating to matters that are not historical facts and statements of Turquoise Hill's beliefs, intentions and expectations about developments, results and events which will or may occur in the future, constitute "forward-looking information" within the meaning of applicable Canadian securities legislation and "forward-looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking information and statements relate to future events or future performance, reflect current expectations or beliefs regarding future events and are typically identified by words such as "anticipate," "could," "should," "expect," "seek," "may," "intend," "likely," "plan," "estimate," "will," "believe" and similar expressions suggesting future outcomes or statements regarding an outlook.

Forward-looking statements and information are made based upon certain assumptions and other important factors that, if untrue, could cause the actual results, performances or achievements of the Company to be materially different from future results, performances or achievements expressed or implied by such statements or information. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, including the price of copper and gold, anticipated costs and ability to achieve goals, including the timing of the disposition of certain of its non-core assets, such as the Company's 50% interest in Altynalmas Gold Ltd. Certain important factors that could cause actual results, performances or achievements to differ materially from those in the forward-looking statements and information include, among others, copper and gold price volatility, discrepancies between actual and estimated production, mineral reserves and resources and metallurgical recoveries, mining operational and development risks, litigation risks, regulatory restrictions (including environmental regulatory restrictions and liability), activities by governmental authorities, currency fluctuations, the speculative nature of gold exploration, the global economic climate, dilution, share price volatility, competition, loss of key employees, additional funding requirements and defective title to mineral claims or property. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements and information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended.

All such forward-looking information and statements are based on certain assumptions and analyses made by Turquoise Hill's management in light of their experience and perception of historical trends, current conditions and expected future developments, as well as other factors management believes are appropriate in the circumstances. These statements, however, are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking information or statements. Such factors include, among other things, the political risks associated with Turquoise Hill's principal operations in Mongolia; the impact of changes in, changes in interpretation to or changes in enforcement of, laws, regulations and government practices in the jurisdictions in which Turquoise Hill operates; and changes in the attitudes of the Mongolian government.

Important factors that could cause actual results to differ from these forward-looking statements include those described under the heading "Risks Factors" included in the issuer's Annual Information Form, both filed on SEDAR and EDGAR. These risk factors may be generally stated as the risk that the assumptions and estimates expressed above do not occur, including the assumption in many forward-looking information or statements that other such information or statements will be correct. The reader is cautioned not to place undue reliance on forward-looking information or statements. All forward-looking information and statements herein are made as of the date hereof. Turquoise Hill does not intend or undertake to update or revise forward-looking statements or information, whether written or oral or whether as a result of new information, future events or otherwise, that may be made by Turquoise Hill or on its behalf, except as required by law.
