TORONTO, CANADA – Ivanhoe Mines announced today that final, closing results of its strategic rights offering have confirmed that the offering generated US\$1.18 billion (CDN\$1.17 billion) in gross proceeds to be used to advance development of the Oyu Tolgoi copper-gold project in Mongolia.

“The funds that have been raised significantly enhance Ivanhoe Mines’ capital position and our ability to sustain the pace of full-scale construction at Oyu Tolgoi toward our target of initial production next year.”
