## **Ivanhoe Mines rights to cease trading on New York Stock Exchange and NASDAQ on January 25, 2011, and on Toronto Stock Exchange at noon on January 26, 2011**

### **Deadline for shareholders to exercise rights is January 26, 2011**

TORONTO, CANADA – Ivanhoe Mines today reminded eligible shareholders that the company's current rights offering will expire in eight days, on January 26, 2011.

Under terms of the rights offering, all holders of rights must either a) validly deliver their completed rights certificates to the Subscription Agent, CIBC Mellon Trust Company, before the expiry deadline on January 26, 2011, at 5:00 p.m. Eastern Standard Time (EST); or b) provide a notice to the Subscription Agent guaranteeing delivery of their rights certificates within three business days of the January 26 expiry deadline (which will be January 31, 2011), in both cases accompanied by payment of the total applicable subscription price.

An earlier deadline will apply for rights held through securities brokers, dealers, banks, trust companies or other custodians that participate directly or indirectly in the book-based systems administered by CDS Clearing and Depository Services Inc. or the Depository Trust Company. Holders of such rights should contact their broker, dealer, bank, trust company or other custodian to determine the deadlines applicable to them.

Details of the rights offering are contained in the final prospectus, notices and the rights certificate that were mailed to each registered shareholder resident in Canada and the United States on January 5, 2011. The final prospectus, dated December 16, 2010, and the notices are available on SEDAR, EDGAR and the Ivanhoe Mines website ([www.ivanhoemines.com](http://www.ivanhoemines.com)).

Key terms of the rights offering include:

- Ivanhoe Mines has issued, at no charge, to holders of its common stock as of the close of business on December 31, 2010, rights to subscribe to additional shares of Ivanhoe Mines' common stock at a subscription price of either US\$13.88 per share or CDN\$13.93 per share.
- Every 100 rights allow the holder to purchase 15 common shares of Ivanhoe Mines. Every 20 rights, for example, entitle the holder to purchase three common shares.
- Shareholders who do not wish to exercise their rights to subscribe to new common shares under the offering have the option of selling their rights through the Toronto Stock Exchange (TSX), the New York Stock Exchange (NYSE) and NASDAQ.
- The rights are trading on the TSX under the symbol "IVN.RT", on the NYSE under the symbol "IVN RT" and on NASDAQ under the symbol "IVN.R."
- Trading of the rights on the NYSE and NASDAQ will stop at the close of trading on January 25, 2011. Trading of the rights on the TSX will stop at noon EST on January 26, 2011.

- The rights offering will expire at 5:00 p.m. EST on January 26, 2011. Rights not exercised prior to the expiry time will be void and of no value.
- Shareholders who do not exercise all of their rights will have their present ownership interests in Ivanhoe Mines reduced, as a percentage of the total outstanding common shares, as a result of the rights offering.
- The rights offering is scheduled to close on February 2, 2011.
- Approximately 85 million common shares are expected to be issued under the rights offering, which would represent approximately 15.0% of Ivanhoe Mines' outstanding shares as of the December 31, 2010, record date.

Shareholders who have received a rights certificate and wish to exercise their subscription rights should follow the instructions included on the back of the rights certificates and in the notices to Canadian and U.S. registered shareholders. Rights must be exercised at the office of CIBC Mellon Trust Company, 199 Bay Street, Commerce Court West, Securities Level, Toronto, Ontario, Canada, M5L 1G9, before 5:00 p.m. EST on January 26, 2011.

Owners of Ivanhoe Mines' shares held in brokerage accounts who wish to exercise their subscription rights should follow instructions from their brokers. Those wishing to participate in the rights offering who have not heard from their brokers should deal with their brokers or contact CIBC Mellon Trust Company by telephoning 1-800-387-0825 toll free (in North America), 1-416-643-5500 (if calling from outside North America) or emailing [inquiries@cibcmellon.com](mailto:inquiries@cibcmellon.com).

The rights and the underlying common shares have not been qualified under the securities laws of any jurisdiction other than Canada and the United States. Shareholders residing outside Canada and the United States may not be eligible to participate in the rights offering by exercising rights.

Registered shareholders resident outside of Canada and the United States were required to satisfy Ivanhoe Mines of their eligibility -- and, if applicable, the eligibility of each beneficial shareholder for whom they may be acting -- to participate in the rights offering on or before 4:30 p.m. EST on January 14, 2011. For shareholders who failed to confirm their eligibility, CIBC Mellon will attempt, on a best efforts basis, to sell their rights at such prices and in such markets as CIBC Mellon determines in its sole discretion. In each case, CIBC Mellon will convert, or cause to be converted, any proceeds denominated in Canadian dollars into US dollars at the prevailing exchange rate on the date of distribution and, net of any expenses incurred by CIBC Mellon in connection with such conversion, distribute all proceeds in US dollars to non-qualified holders on a pro rata basis. CIBC Mellon will mail cheques representing the net proceeds, without interest, from such sales. For holders residing outside Canada and the United States and holding rights through a securities broker, dealer, bank, trust company or other custodian, their securities broker, dealer, bank, trust company or other custodian may consider selling any rights for the benefit of those holders -- to the extent permitted under arrangements with those holders and applicable law -- and to remit the net proceeds to those holders' accounts.

This news release does not constitute an offer to sell, or the solicitation of an offer to buy, any securities; nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
